

# Receiver Function Imaging of Alaskan-Aleutian Arc Volcanoes

Amelia Gandhi & Vera Schulte-Pelkum (CU Boulder), Matt Haney (USGS AVO)

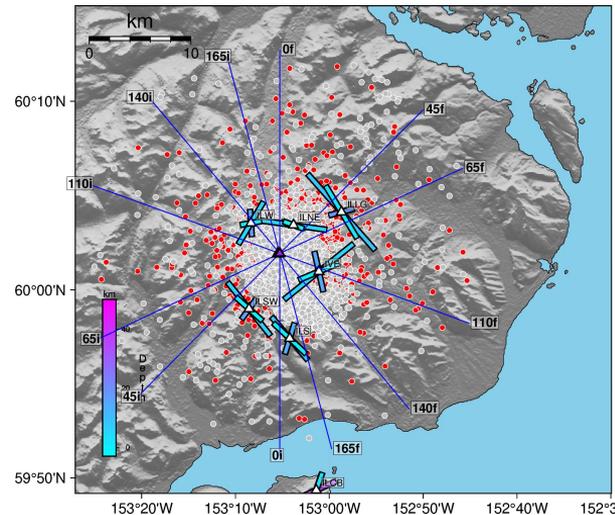

Goal: Compare results at all volcanoes above to those from Akutan

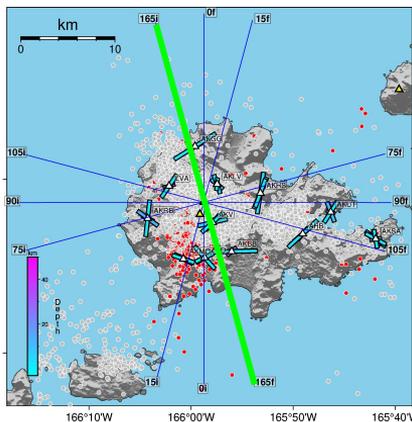

Akutan

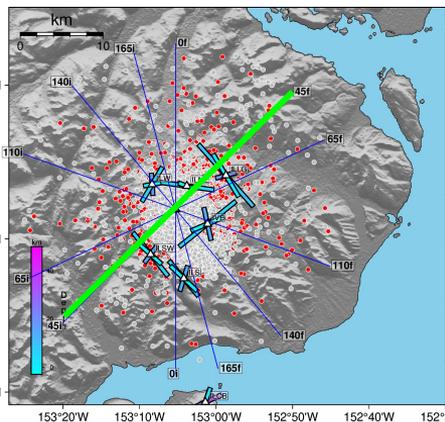

Iliamna

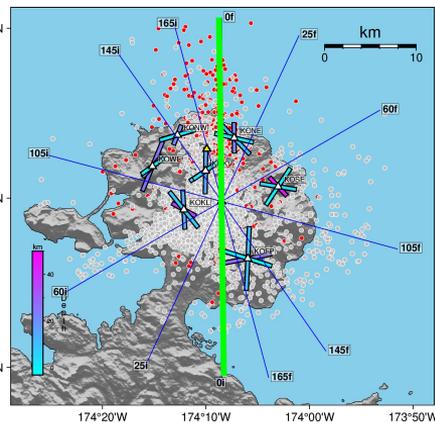

# Akutan

# Iliamna

# Atka

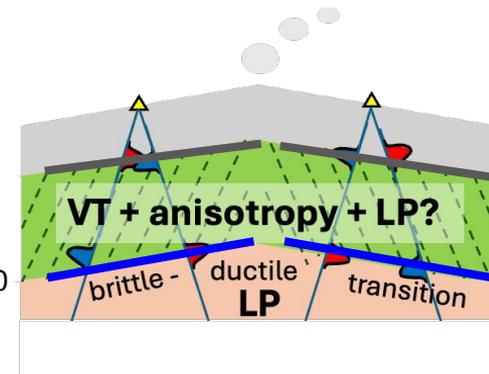

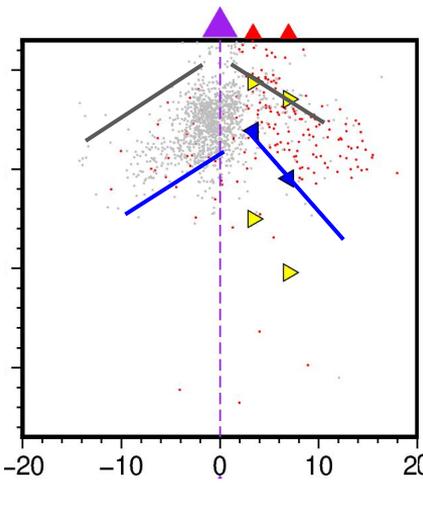

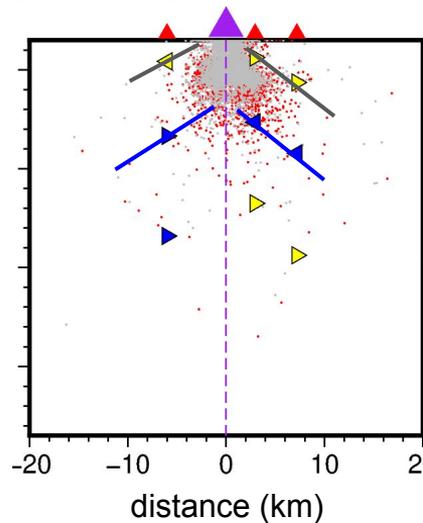

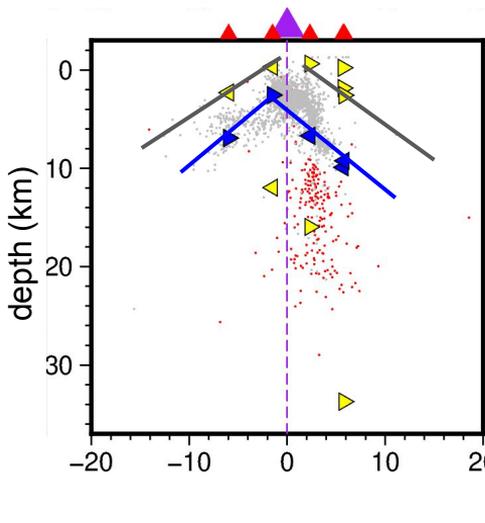

- Long period earthquakes
- Volcanotectonic earthquakes
- Strike of fabric

Have a pet volcano? See it here

Poster: V331-0120 (Wed AM)  
 "Transcrustal Structural Fabric  
 in the Alaskan-Aleutian Arc from  
 Receiver Functions"

Results: We see similar patterns, but with some interesting variations
